Description of Key Projects

Emiquon Visitor Use Plan

EPSI served as a team member with Austin Tao & Associates (<http://www.austintao.com/atamain.htm>) to develop a visitor use plan for the Emiquon preserve located adjacent to the Illinois River near Havana, Illinois. The Nature Conservancy was the client. EPSI was responsible for stakeholder coordination and public involvement. Contact person is Austin Tao, 314-436-3999.

The Emiquon Education Plan and Visitor Use Plan are not available online, but background on the Emiquon Preserve can be found at:
